The trained banker and real estate manager (ebs) launched his career in the real estate industry at BNP Real Estate. As Department Manager, he took on responsibility early on for the office-leasing segment at the Düsseldorf branch. He changed to AMB Generali as Sales and Acquisitions Division Director in 2002. After a short time, he was assigned with the managerial responsibility for the project WSI-Workout Special Real Estate with the objective of restructuring the entire portfolio of the Generali Deutschland Group. Capital investment from the sale of more than 250 properties with a value of more than EUR 1.5 billion was simultaneously reinvested in new properties in line with the strategy. In 2006, Tillmann was appointed to the Management Board of the company and additionally assumed the responsibility for the Construction and Project Development Division. In the following years, Tillmann initiated and oversaw project developments and equity joint ventures with a volume of more than EUR 1 billion.

After more than 7 years with Generali, Tillmann took over Treeh GmbH as a subsidiary in late 2009 and founded Finch Properties GmbH with headquarters in Düsseldorf in March 2010. Today, as Partner and Managing Director of Finch Properties Asset Management, Tillmann furthermore has responsibility for the departments of Corporate Development and Corporate Strategy, Investment, Controlling, PR and HR.

Tillmann, who was born in Rhineland, is married and father of an 8-year-old daughter.
